

Dear Buyer:

***Thank you for considering the purchase of one of our saddles!***

We sell both new and used saddles. If you are able to visit us in person with your horse (or its measurements), we have a wide variety of Eques saddle models and sizes in use that you can test out for suitability and fit. This is our preferred method, as it saves you the cost of shipping and helps ensure you get exactly what you want and need!

Our training saddles are for sale “as is,” or you can order a brand new Eques saddle (along with accessories and other tack) through us at a savings over ordering the item(s) directly from Eques. All saddles are subject to the Return Policy below. For saddles and tack sold in person or shipped within the state of Kentucky, sales tax must be added to the purchase price.

## Purchasing and Shipping Process

Léttleiki Icelandic accepts payment via PayPal (plus 3% fee) or mailed check. Payment should include the cost of the saddle, any applicable tax and/or PayPal fees, and a \$150 non-refundable fee for shipping and handling (if applicable). The saddle is safely boxed and sent to the physical address you provide, with insurance. You should receive an email notification when it is shipped.

## Return Policy

Léttleiki Icelandic offers you the opportunity to try out a saddle for a limited time to ensure proper fit to horse and rider (we suggest that you keep the shipping box just in case). Please ensure the saddle receives excellent care during this window. If you decide it will not meet your needs, it must be returned IN ITS ORIGINAL CONDITION via UPS or FedEx, postmarked within 14 days of the date it was shipped to you. Our return address is 6105 Eminence Pike, Shelbyville, KY 40065. The shipment must be insured for the sale value; return shipping costs and any damages or loss are the responsibility of the Buyer. Upon receipt and verification of condition, the purchase price will be returned to you via mailed check.

Please let us know if you have any questions or special requests. Thank you again for being a valued customer!
